

Enter the mystical village of **Dragonhatch**. You are a dragon trader charged with raising the most valuable clutch of dragons.

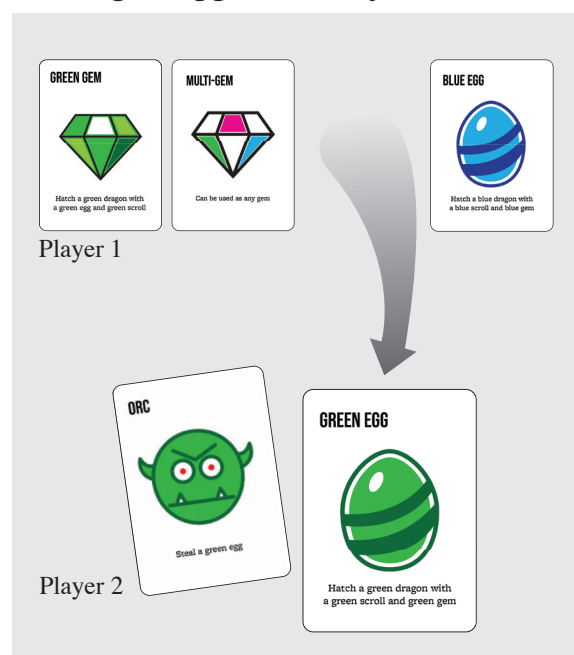

But beware, there are other traders who will stop at nothing to gather their own mythical creatures!

## EXAMPLES OF GAMEPLAY

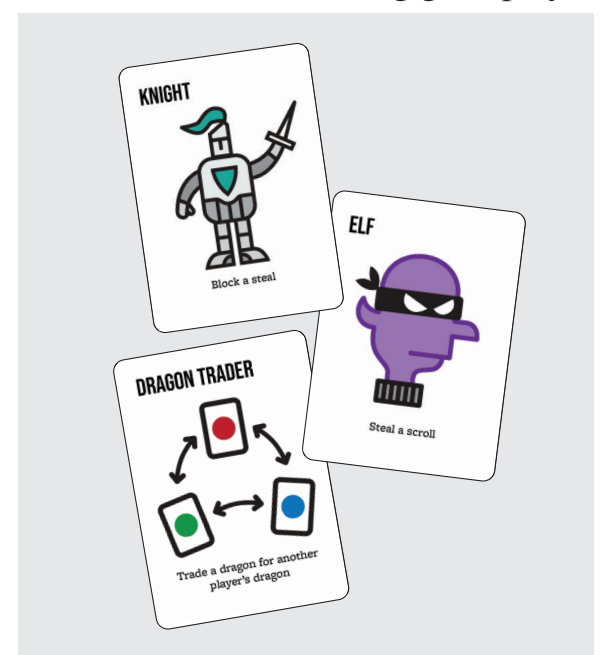

Players may hatch a dragon if they have an egg, spell and gem.

Player 2 uses an Orc to steal a dragon egg from Player 1.

A cast of fantasy characters add extra actions for exciting gameplay.

Your fortunes can turn in an instant when confronted with **orcs**, **goblins**, **mugwumps**, and **kobolds** who all play a part in gaining the **eggs**, **gems** and **spells** needed to hatch your dragons.

Components:  
Deck of 70 cards,  
dragon tokens
